- F. The schedule of school activities

1. We are happy to welcome you in our campus. Please read this information carefully. It will help you to settle as quickly as possible and make your stay as enjoyable as possible. We are proud to say that our school is one of the most famous and well-reputed board schools in Britain. In summer it turns into an international scientific centre. Children from different countries aged 14–16 live and study here for a month and a half. All our students come here after participating in Maths competitions in their own countries and in different international mathematical contests. We are proud to say that new Newtons and Einsteins are among us.

2. The school is located in a quiet historical village. The complex consists of several buildings. The central and the highest building in the campus is our administrative centre. Lecture halls, chemical lab, the library and the computer centre are all here too. To the right of the central building, there are students' accommodations. All the rooms are nicely furnished, and there is a satellite TV in the students' lounge. To the left of the central building there is a students' café. Just behind it one can see an old building made of red brick. It used to be stables, but nowadays sports equipment like bicycles and boats are stored there.

3. All students have breakfast, lunch and dinner in the students' café at 8.00, 13.00 and 18.00 correspondingly. Lectures start at 9.00 and last till 13.00. After lunch the students work in teams on their projects from 14.00 up to 16.00. After that they have a wide range of various activities to choose from: sports games on the sports ground, drama lessons, TV, music performances and so on. The day rounds off with disco or national dances. Students should be in their rooms by 11.00.

4. Most lectures are given by university teachers. Like students, they come from different countries and represent different universities but all the lectures are delivered in English. We are sure that you appreciate the diversity. The permanent staff of the school are always available in the administrative centre. They can advise you on any academic issues, recommend additional reading on the topics and answer your questions. If you have any questions, just come and ask.

5. Though it's summer and holiday time, your lecture attendance is obligatory. You can miss a lecture only if you are ill and have a doctor's permission to stay in your room. Our school doctor is available round the clock in the central office. If you feel unwell, don't hesitate to see him.

1. More than 80 percent of New Zealand's population are Britons or Europeans. That's why the New Zealand school system is similar to the British one. Education is free and compulsory for children between the ages of 6 and 16. The school year starts in January (after the summer holidays) and ends in December. In most schools wearing a school uniform is obligatory. For New Zealand teenagers daily life takes place in school where they stay up to the late afternoon.

2. Canada occupies most of the northern North America continent as well as some islands. It stretches from the Atlantic Ocean in the east to the Pacific Ocean in the west. It's also washed by the Arctic Ocean in the north. The country was discovered in 1497 by John Cabot, an Italian sea captain. About 2% of the Canadian territory is covered with ice. The eastern part of the country is mainly valleys and plains. The western territories are made up of the Cordilleras.

3. Most Americans simply call the Independence Day the "Fourth of July". It always falls on this day, and it celebrates the signing of the Declaration of Independence on July 4, 1776. At that time, the people of the 13 British colonies were involved in a war which had begun in 1775. The colonists were fighting for freedom from the English. The Declaration of Independence stated it clearly. For the first time in history the colonies were defined as the United States of America.

4. With great weather, great events and terrific crowds Australia Day in Melbourne in 2010 was one of the best ever! It is a day for all Australians to get together and, in whatever way they choose, celebrate

being Australian. 1788 is when the British Fleet first arrived at Sydney Cove and lifted the British flag. Now, major cities throughout the country celebrate the national day with parades, free food, and different events.

5. Cambridge lies in East Anglia, about 50 miles north of London. The river Cam flows through it. It gets the name Cambridge from the river. It's a compact green city. There is always something to do and to see in the city: walk in the parks and gardens, visit museums and galleries, enjoy the festivals or relax in small cafés. The city is best known as the home of Cambridge University, one of the world's best universities. It was founded in 1209 and it consists of 30 colleges.
